

Certified Orthotist Joins Virginia Prosthetics, Inc

Trevor Johnson will serve the company's growing Christiansburg location.

CHRISTIANSBURG, Va., (March 29, 2013) – Trevor Johnson, C.O. recently joined Virginia Prosthetics' Christiansburg office as a Certified Orthotist. He is certified by the American Board for Certification in Orthotics and Prosthetics, which will soon certify him as a Prosthetist as well.

"As our Christiansburg office continues to grow in terms of the number of orthotic and prosthetic patients we see, Trevor will be a welcome addition," explains J. Douglas Call, C.P., president and owner of Virginia Prosthetics, Inc. "His experience and bedside manner will enable us to continue to provide our patients in Christiansburg and throughout the New River Valley with the highest levels of service and satisfaction."

A graduate of Virginia Tech where he earned a Bachelor's degree, Trevor received his O&P training at Northwestern University Medical School in Chicago and completed his orthotic and prosthetic residencies in Shreveport, La.

Virginia Prosthetics, Inc., serves numerous locations throughout southwest and central Virginia and North Carolina. Founded in Roanoke in 1966, the company is Virginia's oldest and largest O&P provider, helping patients believe in their possibilities through the use of advanced prosthetic and orthotic technology.
